The Camp motto is „I trust you” and is open to host 5 sight impaired or completely blind teens who will experience the camp side by side with teens from all over the world. Buddies to support the completely blind guests are welcome and have to be the same age range as our campers. The camp objective is to live the Lions motto “Knights of sight” by getting an awareness of our reciprocal challenges and finding collaborative ways to overcome them. Our activities include exploring the local culture and history through sightseeing, excursions paired with sports activities accessible to all. Collaborative activities as well as group discussions, welcome evening and farewell party are part of our program. The camp residence is a youth hostel located in a medieval castle on top of a hill with lots of country side around. As medieval castles do, there is no elevator to conquer the rooms and common areas in the castle.

Our "campers" will stay with host families in St. Petersburg (or in Moscow) which mostly are members of our Leo Club or Lions Club and during the day we meet every day and walk a lot around the city and visit museums, palaces, parks, visit ballet, have barbeques, international meal day, country presentation evening, etc. So it's kind of a "home stay camp" because they will always be with other participants from different countries and with Russian Leos.
