The Camp motto is "I trust you" and following last year's successful pilot, the edition 2021 is open to host 5 sight-impaired or blind teens who will live side-by-side with teens from all over the world. The overall objective aims at getting a new awareness of our reciprocal challenges and finding collaborative ways to overcome them. Our activities include understanding the local culture and history through sightseeing, a visit to the Lions training venue for leader dogs for the blind, sports such as swimming and biking, collaborative activities as well as group discussions, welcome evening and farewell party. The camp residence is a youth hostel located in a medieval castle, which, as castles do, has no elevator but must be conquered through stairs.
