Youth Camp & Exchange Lions Denmark 2018

On behalf of Lions Denmark – MD106 – is it a great pleasure to present the Danish Youth Camp & Exchange programme 2018.

In the summer 2018 programme there will be 3 exciting Youth Exchange camps, with host family stay before the camp.

Each of the Camps will expose different parts of the Kingdom of Denmark with its history, fairytales, nature, energy and above all – friendship and hospitality.

We offer the YCE-students from all over the world a two weeks camp. The YCE students from countries in Europe and the countries around will all be offered one week host family stay.

The YCE-students from other continents are offered a two weeks host family stay in Denmark.

There might be expenses for domestic transportation.

We hope that you will take part in our Youth Camp & Exchange programme by sending mature, open-minded young people, 17 – 21 years old, who have not been on an YCE exchange before and are prepared to enjoy and benefit from the idea in Lions Clubs International objective no 1: “To create and foster a spirit of understanding among the peoples of the world”.

We are looking forward to receiving YCE Students from your country.

Yours in Lionism,

MD 106 YCE Chairperson
